

Volunteer at the Tuttle Library!

Are you friendly and service-oriented? Do you love books and people who love books? Would you like to make a difference in the Tuttle community? Come volunteer at the library!

Stop by the Tuttle Library at 305 West Main Street to pick up a volunteer application or call Jane Bryant, Volunteer Coordinator, at (405) 388-5271 for more information.

Volunteer opportunities at the library include shelving books, working at the front desk, assisting library patrons, and helping with library programs. We are also interested in any ideas you may have about helping out at the library and serving the community.

All volunteers must pass a background check. Training will be provided by the librarian and other library volunteers.
